In response to the Notice of Non-Compliant Amendment dated May 5, 2003,
please amend the above-mentioned Application to include the following:

Amend the claims as follows:

MARKED UP VERSION

Claim 1 (Amended). A packaged delivery system for point-of-sale activation of
products or services to be delivered, said packaged delivery system comprising:

a package;

at least one component related to the products or services to be delivered, said
at least one component being retained within said package when said package is in a
closed position, wherein said one component is a CD, CDs, CVD, CVDs or other digital
